Special Permission Form
Delta Academy/GEMS Pictures Online**

Congratulations on your daughter's interest in the Delta Academy/GEMS of Delta Sigma Theta. A picture of your daughter's participation in our activities may be selected to be posted on our website.

It is our policy to obtain permission from the parent/guardian before placing any recognizable, close-up pictures of their child online. We will be posting pictures from various activities that your daughter might participant in.

The first name and last initial of the child may be used in conjunction with the picture, but there will be no reference to your child's last name, or the address location where your child lives.

We are very selective of the types of pictures we post on our website. We do realize that some parents are very sensitive to this type of publicity. If you feel that pictures of your child are inappropriate, please feel free to decline.

Please complete this form and have your daughter give it to the Delta Academy/ GEMS Chairperson. If you have any questions, please feel free to contact us.
